## States of America

Welcome! To the New Constitutional Republic of America and her first President – the same as the last President of the previous, failed – due to TREASON – constitutional Republic – but in THIS one, the Constitution IS the Supreme LAW OF THE LAND and [Donald J. Trump](#) is her first President!

Trump conceded presidency to a defiant private corporation USA, Inc.  
That was the plan.

[President Trump](#) told us already that on January 1, 2021 the papers that were signed went into effect.

This was done and signed last year 2020. We are now restored to United States Republic.

That is [NESARA/GESARA](#).

USA INC IS DEAD IN THE WATER.

It was necessary to have the democrats elect themselves to office of their USA Inc.

President Trump has divested himself.

There is no more USA Inc. It has no power.

It is bankrupt.

Trump signed in Gesara, we are waiting for the official announcement.

THE RULES OF gesara are there will be an election of the president in 180 days.

I know that is a lot for you to take in.

On Jan 20, it does not matter anymore. The entire USA Inc and those elected to USA Inc are merely paper tigers not worth the paper they are written on.

The election for President was for president of USA Inc.

It is defunct and all those people elected under it are also defunct.

Just think... , no pensions for all those bad actors. Their corporation is bankrupt. All the debt run up on the Federal Reserve and all the debt goes with the defunct corporation.

The new USA Republic is DEBT FREE!

Yes, that was the plan all along.

That entity has zero power and all those actors without power.

It is over. It is unthinkable for them.
